DECISION ON PETITION

This is a decision on the "Petition for Revival of an Application for Patent Abandoned Unintentionally under 37 CFR 1.137(b)," filed May 27, 2003. This petition is considered in light of the submission on September 4, 2003 of the previously omitted fee transmittal.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to file a timely reply to the final Office action mailed October 16, 2002. This Office action set a three-month shortened statutory period for reply, with extensions of time obtainable under § 1.136(a). No reply having been filed and no extension of time obtained, the application became abandoned on January 17, 2003.

Petitioner has filed the required reply in the form of an amendment, paid the petition fee, and made the required statement of unintentional delay.

The application file is being forwarded to Technology Center 1637 for consideration of the amendment by the examiner.

Telephone inquiries related to this decision should be directed to the undersigned at (703) 305-0309.
